NEW Business

1. FACE BOOK- We should all thank John Cardova who set the page up and the volunteers who maintain it. It provides a great service.

However, members of the BAAA find it a great place to air their perceived issues/concerns in public. This stops today. The BAAA has many OFFICIAL emails that go to Officers of the Board as well as ALL members of the Board.

All communications MUST be sent to the organization to be addressed internally. I will ask the management of the FB page to remove those posts and add that the person should send their concern to the BAAA via emails addresses provided.

2. New Elections in 2026 participate it your association
3. Next Reunion Nov 2026. Like or don't like how this (2024) was done? Provide feedback via email to board@ blueangelsalumni.com by end of Dec 2024.
4. This organization's growth depends on enticing all team members past and present to join the BAAA. That's your job!!!
