## OLD Business 4 th QTR 2025 / Special EOY BOD MTG 2025

1. Scholarship Program
  - a. I have requested to the Treasurer that on our web page we add a TAB that says ...Scholarship program. This would allow all Alumni to download the application without requiring anyone log in. Due to security issues we can not add the tab to our web page.
  - b. Each year the application will state for example "2026 Scholarship Program Application." This ensures every applicant has the current updated form.
  - c. On the application form it will clearly state "for any questions you must contact [board@blueangelsalumni.com](mailto:board@blueangelsalumni.com). The purpose is we need to have redundancy in case my computer crashes etc. Also then the board is aware of what is going on.
2. Communications about BAAA and Scholarship Business
  - a. With Mail Chimp, our BAAA emails and (if/when) we can offer the scholarship application from our web page, we can minimize Facebook as a method of communication. We will still announce the scholarship application emphasizing that all correspondence must be to the [board@blueangelsalumni.com](mailto:board@blueangelsalumni.com) On any "ongoing Business" we need to ensure we have a record of what transpires.
3. Communication Personal request from the President.
  - a. I do not type well, I have extremely poor computer skills, I do not know how to manipulate PDF files. Word files are what I use, I prefer to discuss all things on the phone. It's faster, you have two-way communication and can ask for qualification / clarification. None of

which happens in a text or email. So, just pick up the phone and call me.

4. Status of our IRS Tax 501 (3) c
  - a. I have contacted Wes for an update. He apologizes for the delay; That could not happen until we fixed our delinquent taxes with the IRS. That is done. His company was extremely swamped, and it did not get done. I said he will have his assistant get right on it. Until then we are NOT a Tax-exempt entity. Bright side, we are closer than ever before.
  - b. The paperwork is now done online so Wes and I have a meeting set up to file the paperwork on Jan 14, 2026 at 9AM.
  
5. I would like to ask for a vote to once again have the BAAA provide Hound Dog Place mats for the reunion dinner place settings. Then is a simple matter of requesting them once they are made, We can have them ready in advance. The BOD approves the Place Mat vote for next reunion. Unanimous.
  - a. Question? Do we need place mats now?
  
6. Requesting ideas for Activities at the reunion week EOS.
  - a. Deep Sea Fishing Trip ?
  - b. Golf outing Ron Duncan [-ronduncan733@gmail.com](mailto:-ronduncan733@gmail.com) asked about this. I said if he will coordinate it let us know.
  - c. Hotel is offering a Trivia Night at the Bar. How about Thursday at Hotel after 1600 hrs General Assembly meeting or like 8PM at the bar?
  - d. If I understand the manager, they will be offering the entire hotel to our organization beginning with 50 rooms. The hotel has 205 rooms. We need to fill them fast. They will then give us another block of rooms. I would like to fill the hotel. Their staff said we were the best group they ever had. The manager is on vacation until the 2<sup>nd</sup> week of Jan. We can start reservations after I talk to her for a special code. Mail Chimp / FB reunion details as we know them. We can "Post Updates" going forward.
  - e. Do you want Airshow buses again? If yes departure at 7:30?
  - f. Terry to contact the Golf Cart transportation company to get to the All Hands Function?
  
7. Reunion Ticket sales
  - a. Pre-paid items a must i.e. Dinner, Air Show Seating

The BOD discussed and voted unanimous, to have all tickets sold on web site Pre-paid. Cancellations and requests for a refund will require a fee to cover our incurred costs of \$20.

#### Discussion Topics

1. There will be a watch bill for meeting room retail sales.
2. If necessary there will be security at the air show BA friends and Family seating Section ?
3. John Cardova will be asked to again make the tickets for the 2026 reunion.

4. Discussion on a 80th anniversary Challenge Coin / Shirt / T Shirt. Merch.
5. Dave Sample to think about art work. Terry Hynds as well. Will be discussed at Jan 2026 BOD Mtg.

## **NEW BUSINESS**

1. Finance Update – NFCU Checking - Savings
2. D&O Ins Status Cost \$499.68 was last years. I just submitted an Asset update to the Insurance company. Renewal is in Feb/Mar time frame. I will forward cost info when received,

[aj@bellkennins.com](mailto:aj@bellkennins.com) Agent goes by AJ.
3. Last year a BAA Member John Garland (AD 2) 92-94 contacted me with a opportunity for the BAAA to get a donation. He is not a MEMBER of the BAAA and never has been. The POC is a Mr. Cody Perris, Abalene, TX 254-433-6527. The opportunity is this, Attend the Annual TRUCK SHOW and have a table to display Blue Angels information. Talk to people and promote the US Navy. NOTE: It must clearly be stipulated we are no longer in the Navy nor part of the team. At this time just asking if anyone can attend this show. The opportunity could be as much as a \$10,000 donation. The show is October 18/19 2025. If anyone is available I will discuss this the CNATRA Legal etc.  
  
I don't think this is necessary going forward.
4. Board of Directors and Officer Elections year end 2026 for years 2027 and beyond
  - a. President Parker, Treasure Scheck, Directors Hoenie, Osburn
  - b. Must mail-chimp the self nomination forms to the members directly after the meeting
5. 2026 EOS Air Show Seating aka Friends and Family
  - a. We need someone to contact the team PAO, CMC, XO to discuss history, last year and this year.
  - b. Private seating set up by MWR will cost about \$65,000. It is theft in my opinion.
6. 2025 Taxes. I have contacted Sigma-Acct and they will provide a quote for this years taxes, about \$1800 without clean up fees. About the same as last year.
7. Proposed Reunion Schedule
8. Our By-Laws were written in 2022. We need to make small changes to such things as, our web address is incorrect. In 2022 we did not have our

current web page. I would also like to replace the current example of a Non-Profit organization with another more suitable one.

9. Hotel rooms are available, I will provide the link. I will ask the hotel to send us a weekly update. The list will be audited to our membership. If a reservation is not a current member I will contact them about joining, pay dues, or cancelling the reservation.
